

Scrap Basket BOM July Pattern Basket with Handles

Piecing Instructions:

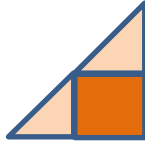

1. Make four strips using “C” and “E” 1 5/8 inch squares.

- One using three (3) dark and two (2) medium ones: 
- One using two (2) dark and two (2) medium ones: 
- One using two (2) dark and one (1) medium: 
- One using one (1) dark and one (1) medium: 

2. Add a “D” triangle to the left end of each of the strips made in No. 1 above [strip shown in blue below]:

3. Add a “D” triangle to two sides of the three remaining DARK 1 5/8” squares as shown:

4. Applique the handle onto one of the “A” triangles cut from the 7 5/8” background square. The ends of the handle should be even with the bias edge of the fabric.

5. Sew one of the triangles made in No. 3 above to one end of “B” background rectangles as follows:

6. Starting with the 5-squares strip, add to it the 4-square, 3-square and 2-square strip, ending with the final triangle made in No. 3 above, stitch the strips and triangle together to make a “checkerboard” triangle the same size as the triangle with the applied handle. **Use the picture on the Cutting Instructions as a guide.**

7. Sew the completed Checkerboard basket triangle and the “A-handle” triangle together to make a square 7 1/2” complete.

8. Sew the two units made in No. 5 above to the sides of the basket. This completes the basket shape.

9. Add the “C” triangle to complete the square.
