Membership

If you are interested in quilting and would like to meet with others who share that passion, please come and visit a meeting. A guest may attend two meetings without becoming a regular member.

At your third meeting, if you desire to continue attending meetings, an application must be completed and dues must be paid before the start of the next meeting you attend.

Dues are \$20.00 per year, payable in January. Dues for members who join from September through December will be half of the regular annual dues

There are a lot of us!

There's always lots to do. It's much more fun doing it with others who are just a interested in fabric art as you are. Scrapbasket Quilt Guild has well over 100 members with a wide variety of skill levels from beginner to master quilter.

Who We Are

Scrap basket Quilt Guild is a nonprofit organization composed of people around Hendricks County who love to quilt. We strive to educate quilters and help to preserve and pass along the art of quilting. Our members volunteer their time and talents in many ways, from serving in leadership positions in the guild, to teaching about quilting, and making quilts for worthy causes.

Our story

The Scrapbasket Quilt Guild meets at 7pm on the third Tuesday of every month at Messiah Lutheran Church in Brownsburg. After a short business meeting, we get down to the important stuff...showing each other the wonderful quilts we've created and the quilting challenges we've participated in, and hearing from master quilters who bring their work and teach great techniques. We socialize, form smaller groups called "beeletts"
