

Color Confidence Class with Lynn Rinehart

March 21, 2018 9:45 AM
Bartlett Chapel in Avon, IN
Scrapbasket Quilt Guild, Brownsburg, IN

Class Description full day

Engage in an in-depth discussion for choosing colors and fabrics for quilts to get your desired outcome. Become more confident in the use of color, or if you are a seasoned quilter, discover colors outside of your usual M.O. to refresh your personal style.

Project

The project will create a color wheel made from fabric, meant to serve as the participant's ongoing reference tool.

Class content

The discussion will be on working with **colors in quilt blocks** to learn to identify value and saturation. Exercises include discussion of color and hue, examination of various combinations, and learning terms and techniques in creating quilts using color tools.

Supply list

Bring 1 yard of solid white or solid black fabric which will be used for the color wheel background.

10 2-inch squares of 12 different fabrics that you would find on the color wheel. Please try not any bring any solid fabrics, but bring fabrics that "read" solid or tone on tone.

Before coming to class, please: prepare the 12 fabrics by applying fusible backing ie. Wonder Under or Heat and Bond. Also cut the fabrics into 2x2 inch squares. These will be shared with everyone in class.

Also, bring a smart phone, if you have one. We will use the camera as well as discover some favorite apps that can be useful in choosing colors for quilts.
