## A Brief History

The Scrapbasket Quilters of Brownsburg was founded in 1987 by Carol Weaver, Georgeann Haley, Margaret Emerich, and Connie Wass. These quilters were members of the Indianapolis Quilters Guild who wanted to start a quilt guild in Brownsburg. The original group grew by word of mouth, averaging ten in attendance in the early years. We have grown to seven times that size over the past twenty or so years! And our official name now is Scrapbasket Quilt Guild.

We started out meeting in the fabric store in town and as we grew, we moved to the Brownsburg Library. We now meet in the Messiah Lutheran Church on State Road 267 on the south side of Brownsburg.

Our goal in having a guild was to be able to meet more quilters in our area and to be able to offer programs that would cover all aspects of quilting. Another part of our guild is our outreach to the community by making charity quilts every year for several worthy charities.

## Who We Are

Scrapbasket Quilt Guild is a nonprofit organization composed of people around Hendricks County who love to quilt. We strive to educate quilters and help to preserve and pass along the art of quilting. Our members volunteer their time and talents in many ways, from serving in leadership positions in the guild, to teaching about quilting, and making quilts for worthy causes.

## What We Do

### Guild Meetings

Meetings are held at 7:00 PM on the third Tuesday of each month at the Messiah Lutheran Church, 801 S. Green Street (State Road 267), Brownsburg. We have guest speakers, or sometimes our own talented members share a skill with us. And members always share their latest quilting projects with us during "Show & Tell."

### Bee (or Beelet) Meetings

A bee, or beelet as some call them, is a smaller group from within the guild, usually six to ten people. Bees often meet in homes, at whatever frequency they choose. Bees provide a wonderful way to make friends and have even more quilting fun!

### Charity Quilts

"Kids Quilts" are made to donate to pediatric hospital patients and other children in need. Quilts of Valor are also made for veterans.

### Block of the Month

You can learn new block patterns by participating in the Block of the Month.

### Challenges and Mystery Quilts

Stretch your quilting horizons by accepting one of the various quilting "challenges." Perhaps a Mystery Quilt assignment might tickle your fancy.

### For Fun

Activities may include a shop-hop bus trip, or a sew-in at the Brownsburg Library. Some guild meetings are more fun-oriented, like our December meeting, where we often have a pitch-in and entertainment of some kind.

### Fundraising

A quilt, which is made by our members and raffled off, is a primary fundraiser for us, and a wonderful group project in which many of us participate. We also have an auction each year where quilting bargains abound. The proceeds from these efforts help us continue to provide our educational and charitable programs.

## Sound Good? Want to join us?

If you are interested in quilting and would like to meet with others who share that passion, please come and visit a meeting. A guest may attend two meetings without becoming a regular member. At your third meeting, if you desire to continue attending meetings, an application must be completed and dues must be paid before the start of the next meeting you attend.

Dues are \$25.00 per year, payable in January. Dues for members who join from September through December will be half of the regular annual dues.

Or if you know right now that you want to become a member, fill out the Membership Application form on the back of this panel and bring it with you to a meeting.

For more information, you can visit our website at [www.scrapbasket.org](http://www.scrapbasket.org) or contact us via an email through the website.
